In our last newsletter, we mentioned that there was a lot of Husky hair blowing about the Farm and we needed to find something to do with all of it. We've since found out that if you mix the Husky hair with merino (50/50), it makes a wonderful wool (Thanks Aleeya!!). So if anyone is interested in making some wool, we have plenty of hair to donate to your cause...

### Pup of the Month

Breezy is a pure white Siberian Husky with baby blue eyes. Breezy is a very social and sweet girl. She gets along with the other dogs in her foster home and is very affectionate with people. This girl is a definite cuddler and loves to sleep in bed, if allowed. She is housebroken and trustworthy in the house. Check out [her bio](#) to learn more about Breezy!

### Keep Your Pets Safe This Fourth of July

Two years ago, Jack was found wandering the streets of Philadelphia on July 4th. Our guess is that the loud noise of fireworks frightened him and he ran in an attempt to get away from the terrifying noise. Luckily, he found his way to a good samaritan who brought him to us. Sadly, Jack is not the only dog that has wandered from his home when scared by fireworks. And unfortunately, the outcome is not always happy.

As enjoyable as fireworks are for humans to ooh and ahh at, the loud bangs and whistles that accompany the beautiful colors can terrify your canine companion. If you are heading out this weekend for holiday picnics or fireworks, please keep your canine companion at home where it's quiet and secure.

Fireworks aren't the only hazard your canine family member will encounter this holiday weekend. It's probably best to leave the human food scraps on the table and out of your pup's belly since table scraps can lead to upset tummies. Please remember to keep all alcoholic beverages out of your pup's reach since they could potentially poison him or her.

And, please, please, please ~ don't let your pup eat any fireworks!

For more tips on how you can keep your pup safe this holiday weekend, [check out this article](#) on ASPCA's website.

From everyone at MaPaw ~ Have a safe and happy Fourth of July!

### **Congratulations to Brodie and Bryce!**

We are always excited for each of our pups when they find their forever home. Imagine how happy we were when 2 of our boys found a home together!

Brodie and Bryce had joined their MaPaw foster homes within days of each other. Since their foster homes were close, these boys met for playdates and frequently attended events together. They were the best of friends and got along great.

When we were contacted by a family looking to adopt a pair of Sibes, we couldn't think of a better duo!

Congratulations to Brodie, Bryce and their new family!!!

### **Upcoming Events**

*July 16th* - MaPaw will be hosting a "flea market" at the Farm (899 Douglass Drive, Boyertown, PA). There will be lots of great stuff needing new homes such as housewares, furniture and electronics. Everything will be priced to go! All proceeds will go to caring for MaPaw dogs.

*July 20th* - Rita's Water Ice in Macungie, PA will be donating 15% of all sales made from 5 pm to 8 pm. If you are in the area, be sure to stop by. Some MaPaw pups will be on hand to greet everyone. There will even be a special appearance by the MaPaw Husky mascot!

### **Foster Homes Needed**

Our network of foster homes is MaPaw's greatest asset. While we wait for the construction of the kennels to be completed, our foster homes are what allow us to bring more dogs into rescue. Once the construction of the kennels is complete, we will still need our foster homes to help the dogs in rescue to settle into family life and learn their manners (housebreaking, crate training, walking on a leash, etc.). While the kennels will allow us to bring more dogs into rescue, our foster homes will help those dogs get their second chance at becoming a member of a family again.

Please [contact us](#) if you have any questions about fostering or [click here](#) to submit an application to foster a MaPaw dog.
